Tin City Distillery introduces a masterful fusion of craft and convenience: the Canned Blackberry Bramble Vodka Craft Cocktail

Tasting Notes:

The taste experience is nothing short of extraordinary. The sweet, slightly tart blackberries dance on your palate, while the fresh lemon adds a delightful zing. A subtle herbal note weaves through each sip, enhancing the complexity of this craft cocktail. The vodka, smooth and refined, ties all the elements together, creating a perfectly balanced libation that's both refreshing and indulgent.
